

SUSSEX COUNTY ARCHERY ASSOCIATION

RESULTS OF SUSSEX COUNTY ARCHERY WEEKEND

Held at Plumpton College

SATURDAY 12TH JULY 2008

SUNDAY 13TH JULY 2008

The County would like to take this opportunity of thanking our Ladies Paramount, Mrs J Codling and Mrs D Cannon, for presenting the awards at our County Championships.

We also thank the Judges Keith and Gwen Mills, Mark Davis, Roger McMullan and Richard Hillier, for keeping us all in order.

On Saturday the weather was overcast with very strong gusty winds, although it did stay dry. On Sunday the weather was much better, warmer, less cloud and not so windy and conditions were good. A National Record and 15 Rose Award claims have been made, so congratulations to all those claimants.

Thanks are also due to the groundsman at Plumpton College who helped myself and Dave Egalton to mark out the field, the Duty Clubs and other Sussex archers who gave freely of their time to ensure that the ground was laid out correctly and that the shoot ran smoothly.

This was our first year at Plumpton College and generally the feedback from archers has been favourable. This was my first year as organiser and I certainly didn't realise exactly how much work was involved in organising and running a shoot of this nature and my personal thanks go to all those who helped me out at crucial times.

Good shooting in the future.

Richard Cater, Tournament Coordinator.
